EXCITING UPDATES AND OPPORTUNITIES

"Springing Into Success: A Vibrant Update from Healing Hands School of Massage!"

As we dive into the new year, we're thrilled to share some exciting updates and opportunities with you. Your ongoing support and enthusiasm have been instrumental in our success, and we're eager to continue providing top-notch education in the field of massage therapy.

Success at the Student Clinic!

We're delighted to announce the resounding success of our student clinic. The positive feedback on our students' techniques and skills has been truly heartwarming. We appreciate your trust and collaboration, and we couldn't be prouder of the accomplishments of our aspiring therapists.

However, with success comes change. The student clinic will be closing its doors on February 15th. If you haven't already, we encourage you to schedule your appointments as soon as possible. The slots are filling up fast, and we want to ensure everyone has the opportunity to benefit from our students' exceptional services.

New Courses to Elevate Your Skills!

We're thrilled to introduce two new courses that cater to different stages of your massage therapy journey:

1. Pass the MBLEx: The Massage and Bodywork Licensing Examination (MBLEx) is a crucial step toward becoming a licensed massage therapist. Passing the MBLEx not only grants you a license but also signifies your commitment to excellence in the field.

Here's why it's essential:

- Professional Recognition
- Current Practice
- Professional Standards
- Client Confidence

Ready to take this pivotal step? Learn more and register on our website: www.hhschoolofmassage.com.

2. Massage Refresher Course: Whether you've let your massage license lapse or seek to enhance your skills, our Massage Refresher Course is tailored to meet your unique needs.

Enjoy the flexibility of a hybrid learning experience, combining online modules for theory with in-person sessions for hands-on training. Our flexible schedule allows you to pursue your passion at your own pace. Find out more and register on our website.

Graduation and Next Steps

As February 23rd approaches, we're gearing up to celebrate the graduation of another group of successful massage therapy professionals. It's a testament to the dedication and hard work of our students, and we couldn't be prouder. Stay tuned for updates and highlights from the graduation ceremony.
